

Because Safety is Job One

ONBOARD, MONITOR AND MANAGE YOUR CONTRACTED MOTOR CARRIERS

CARRIER SELECT is a powerful, easy-to-use platform for freight brokers and shippers to onboard, monitor and manage your custom list of motor carriers.

Set and forget your hiring policies for CSA scores, licensing, insurance, safety rating and operating authority—upload your list of DOT#'s and let Carrier Select do the rest.

NOW WITH DAILY ALERTS! Daily Alerts notify you of any violation of your safety thresholds.
